Mr. P. F. Hopkins
Board of Control of State Institutions
Des Moines, Iowa

Dear Mr. Hopkins:

Since the Monday issue of the Des Moines Register, the letter published therein criticizing the Mt. Pleasant Hospital has been very much on our hearts.

We authorized no such statement. We regret the publication of such a letter and wish to assure you that this letter does not reflect the feeling of our unit.

We have appreciated the cooperation of the administration and employees and their willingness to help us adjust to our new jobs of serving the patients at Mt. Pleasant.

Very truly yours,

Earl Leinbach
Ass't. Director
